

Compatible Bowl Manufacturers

March 2010

For every style, there's a Geberit carrier

The Geberit carrier makes dramatic design concepts a reality by taking the toilet off the floor. The Geberit carrier makes it possible to position components in any part of the bathroom, while concealing the functional components. The system's flexibility and adaptability is realized with a compatible toilet fixture.

111.335.00.5

111.255.00.1

With Geberit, designers now have the opportunity to achieve engaging rooms through the increasing number of bowl designs utilizing the Geberit carrier.
