

# Push Your Way to Profit!

The Buy One, Get One Free PushControl Sales Program\*

**September 1 Through October 31, 2009**

When you purchase any Geberit PushControl Bath Waste & Overflows, you will receive a second matching one free. That's right! From September 1 until October 31, 2009, every Geberit PushControl you buy brings with it a second one. All part of the Geberit PUSH!

Geberit takes care of the details with our elegant PushControl line of Bath Waste & Overflow (BWO), the finishing touch for your bathroom design.

**It's patented.**

Controlling the drain is a simple push on the self-adjusting PushControl, which adapts easily to any bath thickness, and easily opens and closes the drain.

**It's award-winning.**

The Geberit PushControl BWO is a thin, elegant drain design that earned the coveted iF Award (International Design Forum Design).

**It's Geberit.**

The Geberit PushControl combines form and function, creating a truly elegant touch to your bathroom design.
