## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date: June 2009 Void After: June 2010

Product: Bathwaste and Overflow Assemblies with Tub Filler Spout File No. 4460

Issued To: Chicago Faucets Geberit Mfg. Division  
2100 S. Clearwater Drive  
Des Plaines, IL 60018

IDENTIFICATION: Assembly shall be clearly and permanently marked with manufacturer's name or trademark, and cUPC® certification mark. The assembly or the packaging shall be clearly and permanently marked with the model number.

CHARACTERISTICS: Bathwaste and overflow assemblies with the tub filler spout consisting of a drain tee, overflow components and a drain controlling mechanism intended to control the water level in a bathtub. Assembly components are to be installed with IAPMO R&T listed fittings. To be installed in accordance with the manufacturer's instructions and the requirements of the latest edition of the Uniform Plumbing Code.

Products comply with the applicable sections of the latest edition of the Uniform Plumbing Code. Models listed to the National Plumbing Code of Canada and Relevant Canadian Standard(s) shall bear the cUPC mark of conformity. Manufactured in compliance with IAPMO Property Standard IAPMO PS 69-2006 & ASME A112.18.2-2005/CSA B125.2-2005.

Products listed on this certificate have been tested by an IAPMO R&T

  
Chairman, Product Certification Committee

  
Senior Director of R&T

This listing is for the period indicated herein and is void after the date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Reproduction of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
